

Targi Lublin S.A.

Lublin Trade Fair Joint-Stock Company was set up in 1999. Since then, the company has been engaged in organising diversified events. The company's property is adjusted to organising trade fairs, but also conventions, conferences, training courses and many others.

Convenient location is one of the advantages of Lublin Trade Fair. Situated in the heart of the city, the company adjoins the railway station and lies within about 15-minute travel of Lublin Airport.

Lublin Trade Fair consists of broad zones, both indoor and outdoor, targeted at exhibitions and conferences:

- two halls with the floor space of 8 000 and 2 800 square metres respectively, without inner divisions,
- two conference halls, each capable of holding 150 people,
- outer exhibition space with a surface area of 5 000 square metres,
- parking lot for 600 vehicles.

□of modern technological solutions applied in agriculture, plant cultivation and breeding. The trade fairs with similar characteristics held by the company are: VEGE-FRUIT EXPO, directed especially at fruit and vegetables producers; Private Label Show, focused upon sales networks and FMCG private entrepreneurs. - LUBDOM Construction Trade Fair The event crucial for the construction industry accumulating the producers and distributors of building and finishing materials, engineering and architectural offices, service companies and construction consulting companies. □What constitutes the main motif of LUBDOM is the passive and energy-saving construction with a simultaneous application of modern technologies. - INFOSTRADA Broadband Technologies Trade Fair, ENERGETICS Lublin Trade Fair for Energetics Broadband Technologies Trade Fair is a project focalised upon the field □of telecommunications infrastructure as well as the construction and execution of broadband networks. A separate project – Lublin Trade Fair for Energetics, □the leading Polish nationwide event in the scope of traditional energetics – □is performed simultaneously. Apart from trade fairs and exhibition projects, Lublin Trade Fair together with partners co-create other events connected with business, entertainment and culture, i.a.: conferences, conventions, business meetings, concerts, galas, forums. The examples of the projects of this type which have been held within the last few years are: Nuclear Medicine Convention, International Ophthalmic Conference, Eastern Business Forum, Falkon – Polish Nationwide Fantasy Festival, Fantastic Concert – music and light show.
